

Personality Profile Worksheet

Is your personality suited to working at home without daily supervision? Is your skill set suited for your new venture? Can you handle all aspects of operations? Answer yes or no to the questions on the following questionnaire. Your answers will help you determine your likelihood of success and identify areas you may wish to improve on before launching a work-at-home business venture.

Answer the following questions and check yes or no in the box.

Yes

No

	Yes	No
Do you have a vision of where you would like to be in ten years?		
Can you formulate a plan and strategies to reach that vision?		
Are you self-driven?		
Can you motivate yourself to complete tasks necessary to succeed?		
Will you seek outside help for further expertise to accomplish a task?		
Are you organized so you can keep track of all necessary paperwork and tasks?		
Do you have the specialization, or can you gain it, to carry out your plans?		
Do you have strong business skills?		
Can you administer the business aspects of your new venture, like accounting, marketing and computer skills?		
Can you remain focused when distractions arise?		
Are you a good planner?		
Are you a good money manager?		
Can you manage both your business and personal finances so you can survive financially lean times?		
Do you have contacts in your new industry to acquire new business, or can you make those contacts to ensure your success?		
During down times, can you find the motivation to keep going?		
Can you set deadlines for yourself?		
Can you meet those deadlines, even the long-term ones?		
Can you leave work behind during family and relaxation time?		
Can you teach your family to respect your workspace and work time?		

Although you do not have to answer all questions with a resounding yes, you need to be fully aware of your weaknesses so that you can overcome those problems. The more questions you can answer yes to, the greater your chances of succeeding in working from home.
